

Dear Friends and Faithful Supporters:

Your support is helping accomplish much!

In this Newsletter you will see our first group photo of the men who are in our Men's Shelter in Israel and you will read the testimony of Igor who is in the middle of the group photo with the baseball cap.

In addition, you will hear from Gene, (on the left) our director in Israel in what will be a regular part of these Newsletters: Gene's Corner.

“Hi: I am Igor.

My family came to Israel when I was child. After graduating from school, I served in the IDF. After my service in the IDF I became addict to drugs such as Pervitin (which is chemical), amphetamine and alcohol. My life became a mess and I left my parents home and separated from my brother and sister. My home became the streets of Tel Aviv for many years. I recently became acquainted with your feeding that took place on the street where you serve. I got to know the people who were serving and I got to know Gene. I heard about the men's shelter and that they cared about people like me and were willing to help give me a chance to find a new life.

Gene was willing to take me in and there I heard about God and Jesus Christ the Messiah. I learned about God's grace and found salvation in the Messiah.

Thank you for making it possible for me to know the Messiah as my savior and to experience the love and care of Almighty God through the service of those in the shelter.”

Gene's Corner-From Israel with love:

“Dear brothers and sisters, friends.

I'm so excited for the opportunity to speak to you. God's history shows us that great things happen because of ordinary people. Apostles, widows, Gideon, shepherd David, Rahab and others. Your faithfulness helps move mountains. Your prayer and financial supports allow us to stand on the frontline here in Israel where history begun and where history will finish when Messiah comes to take His faithful servants and friends.

Because of you my dear friends we have established a recovery program for 10 men, bringing them from homelessness to a warm house where they may experience God's love. We have been able to increase our feeding programs for the needy and poor and to hold evangelistic meetings. We are also in the planning stages to establish a women shelter.

All this is or is becoming possible because of you. The Kingdom of God is seeing new members because of you my friends. I'm grateful to God our Lord and Savior for you.”

Be blessed.

In the picture on the left, you can see the lines of people, many of them Sudanese refugees who have been allowed into to Israel.

Our feeding ministry takes us into contact with the homeless, drug and alcohol addicted, prostitutes and now refugees from other parts of the world coming into Israel

To each person we are sharing God's love and through this, God is allowing us to share the

Good News of the Gospel of Jesus Christ, Yeshua the Messiah.

The God of Abraham, Isaac and Jacob is opening doors for us to minister to hundreds each week. You help make this happen through your prayers and through your giving.
